

Privacy and Cookie Policy

General

Eurail Group G.I.E. ("**Eurail Group**") is responsible for the processing of all personal data collected through this website (the "**Website**"). Eurail Group respects your privacy and complies with the provisions of the Dutch Act on the Protection of Personal Data.

This Privacy and Cookie Policy (the "**Policy**") provides information regarding the processing of personal data collected through the Website, as well as the rights to access and correction of such personal data.

This Policy may be changed over time. Such changes shall be effective immediately upon the posting of the modified Policy. Users of the website are advised to regularly read the Policy for possible changes.

Personal data

Eurail Group processes personal data that it collects through the Website. Eurail Group may collect, among other personal data, your name, contact details or other information that you submit to Eurail Group.

Users of the Website under the age of 16 may only submit personal data by means of the Website to Eurail Group, if such users have obtained consent of their legal representatives, which have taken notice of this Policy.

Purposes

Eurail Group uses your personal data for the following purposes:

- to answer your questions
- to send you information regarding any current or future activities of Eurail Group. If legally required, Eurail Group will obtain your permission, before sending you such information

Recipients

Eurail Group may also provide your personal data to third parties, which will process your personal data according to instructions of Eurail Group and under the responsibility of Eurail Group. In case Eurail Group sells all or some of the assets or shares of the company to a third party, your personal data may be provided to this third party. Eurail Group will not provide your personal data to any other third parties, unless there is a legal obligation to do so.

Cookies

This Website makes use of so-called "cookies". Cookies are small text files that the Website stores locally on your computer. The Website uses cookies to recognize you if you visit the Website. By doing so, Eurail Group is able to improve user-friendliness of the Website and to adjust the Website to your needs. The cookies of the Website that are stored on your computer remain valid for a period of two years after your first visit to the Website.

By changing settings in your web browser, you can establish that you will be given notice if a cookie is stored on your computer. By changing settings, you can also establish that your browser does not accept cookies from this Website. However, if your browser does not accept cookies from this Website, you may not be able to access or use all features of this Website.

Security and retention period

The transfer, storage and processing of personal data collected through this Website is secured by means of current, usual technical measures.

In general, Eurail Group will not retain the personal data that is obtained through this Website for a period longer than two years.

Access, correction and removal

You can request Eurail Group to provide access to the personal data it has collected about you at any time. You can also request Eurail Group to correct or to delete such personal data. You can send requests for access, correction or removal of your personal data to info@eurailgroup.com mentioning your name and postal address.
